September Meeting Notes

Steve Tarney called the meeting to order at 7:35 pm. The meeting actually came to order around 7:43 pm.

Treasurer's Report: Was given and passed.

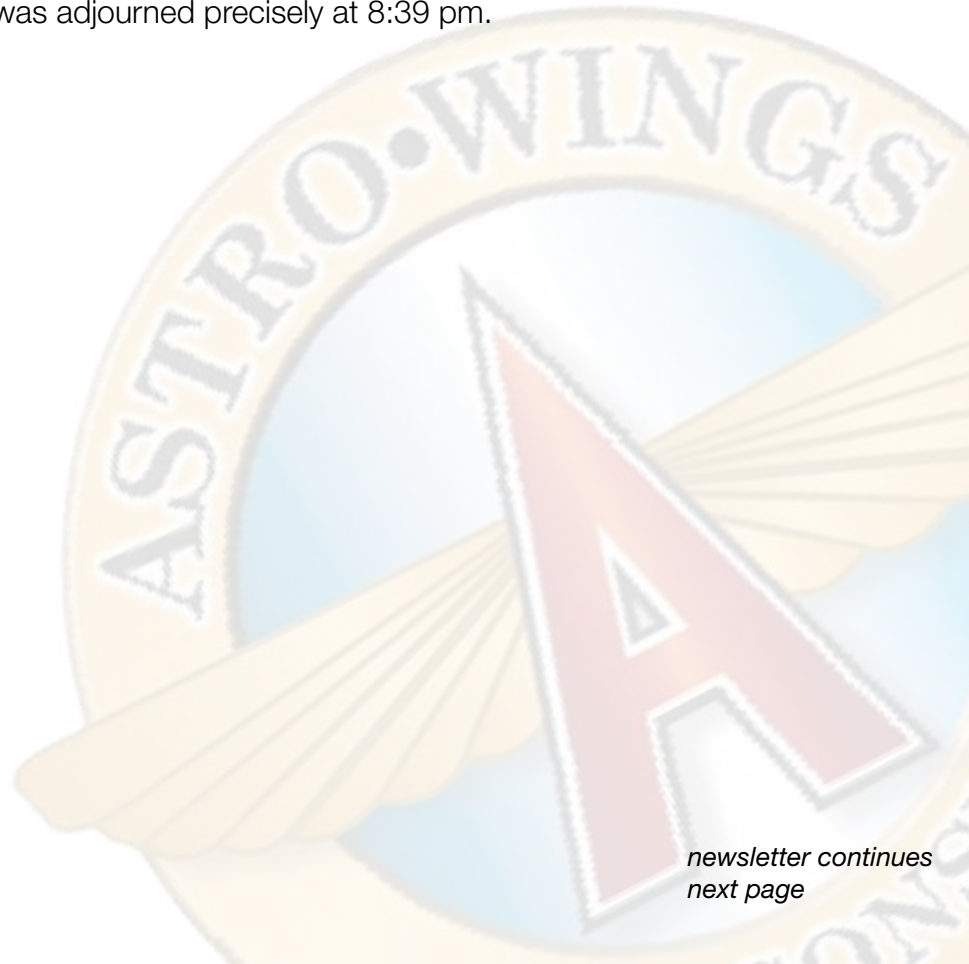

Old Business: the family picnic was fun with lots of good food and good people. Large thanks to Dick and Jeff for their hard work so we could have a good time.

Our August Fun Fly was a great success. We had more pilots and spectators than past events. AstroWings will donate a portion of our proceeds to the Boy Scout Troop 840 for their help coordinating parking and food services.

New Business: It was decided to once again host the Fun Fly next year in August. Fun Fly advertising materials will be finished much earlier in the year to aid in procuring event sponsors and raffle prizes.

Show and Tell and Raffle winners follow.

Meeting was adjourned precisely at 8:39 pm.

Tom Johnson brought his brand spanky new Dyna Grand Cruiser to show. Twin motors and some snazzy decals. Tom's anxious to get'er off the ground and see her flying.

Steve Tarney shared his new Night Vision Air and proceeded to ruin (at least temporarily)

our night vision. Steve also demonstrated the new Spektrum Black DX9 transmitter. More switches, more planes, more doodads to play with.

Both gentlemen received free raffle tickets for their entertaining presentations.
