Friday, Saturday, and Sunday

10:00 AM to 5:00 PM

February Meeting

The November meeting will be at the
Grafton Senior Center November 19
at 7:30 pm.

August Meeting Minutes

President's welcome at 7:35 PM

Announcements –

1. Short meeting tonight since Milwaukee Brewers and Green Bay Packers are both playing games tonight
2. Accepting nominations for club officers for 2019
3. Current club Vice President, Tom Johnson, announced that he will be leaving the club to join the Flying Electronics. Tom does not live anywhere near Grafton. Tom used to visit a friend who lived nearby. However, the friend died. Traveling to Grafton is no longer convenient.
4. Current club Treasurer, Dick Husting, announced that he will be stepping down as club treasurer.
5. Many thanks to Tom and Dick for their years of service to Astrowings of Wisconsin!

Treasurer's report –

1. Read and approved

Old business –

1. Lawn mower maintenance: Greg to coordinate getting the lawn mower serviced. Greg will investigate lower cost alternatives that are closer to Grafton.

2. Onsite solar powered battery charging station: Peter Pavelic completed building the solar battery charging station. Peter shared photos of the solar battery charging station. All that remains is to paint it. Since it was built with pressure treated lumber, the wood needs to dry for several months before painting. Peter Pavelic will store the solar battery charging station indoors and paint it in the spring. The solar battery charging station will be available at the flying field in the spring.

3. Fun Fly

- a. Donation to Boy Scouts – tabled again until next meeting
- b. Donation to Mels Charities – tabled again until next meeting

4. Flying FPV: Club directors are in the process of amending the Field Rules to include FPV.

Meeting adjourned at 7:55 PM
