## February Meeting

This month's club meeting is on February 18 at 7:30 pm, at the Grafton Senior Center.

# January Meeting Highlights

## President's Welcome

The January membership meeting was called to order by President Steve Tarney at 7:33:09 pm.

## Field Condition

The field is in snow covered and cold, but good condition.

## Treasurer's Report

The treasure's report was not read.

## Old Business

There was no old business

## New Business

There was discussion about shed roof repair and how to proceed. Old broken benches are to be disposed of. The big tent which can not be used anymore due to land fill regulations, is to be sold or donated.

Our charity event will be held July 13, 2013. Jim Hendrickson will again be contest director. Jim is asking that all memembers help to make this event successful. He can't do it alone or with only a few helpers. So, please participate.

The Electric Fun Fly & Swap Meet will not be held this year. Instead we will plan on a AstroWings family picnic.

A Boy Scout flying experience day will happen again. Date to be decided.

The Golf Cart is in storage. It and the lawn mower are preped and ready for Spring.

The meeting dissolved in individual discussion at approximately 8:42:23 pm.

## Dues Due!!

Lets make it easy on our new treasurer by bringing along your 2013 dues and a copy of your 2013 AMA card. The dues are \$ 50.00 or if you want a printed newsletter mailed to you then it is \$ 60.00 and a family membership is \$ 5.00 extra per child. If you can't make it to the meeting please make your check out to Astrowings and send your dues and a copy of your 2013 AMA card to:

Matt Komro  
699 W. Dekora St. Unit B  
Saukville, WI 53080

**Mark Polzin** brought his new octo-copter with gps, camera mount and mp3 player. He also brought another of his expanding line of heli's. Here he is showing us where he thinks he lost his watch.

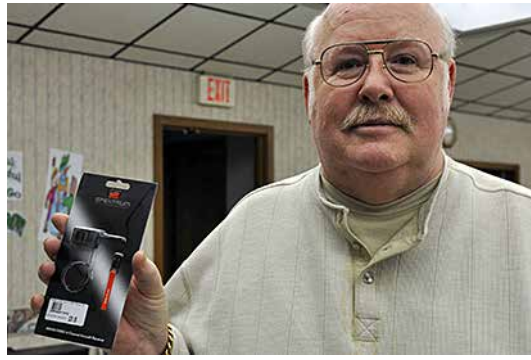

**Andrej Karaffa** shared his flying experiences with his new heli. Andrej is our newest new member, welcome Andrej!

**Gary Keup** astounded us with his repair skills as he showed this plane that had crashed during our annual New Year's Day fly-in.

## Ultimate Paper Airplane

**PowerUp Toys** takes the ubiquitous paper airplane to new heights! Last year, they introduced an electric conversion kit that can propel a paper airplane and this August they plan to offer a control system so that you can control it with any Bluetooth-equipped smartphone! Free airplane templates, inexpensive (\$14) electric power systems and the upcoming control system sound like a great way to introduce kids to RC (and a lot of fun for experienced pilots, too!).
