June Meeting

This month's club meeting is on June 18, 7:00 pm at the field.

From the President

Its hard to believe that it's the middle of June. Every weekend is now filled will various fun fly events. I know I keep saying it but we should all try to make it to our brother clubs fun fly events. Remember that many clubs count on these events to support there clubs. Its also a way to see great airplanes and meet fellow hobbyists.

As you guys know we have two events planned this summer so please make an effort to give some time by helping out.

See you at the field,

Steve Tarney,

President Astrowings of Wisconsin

May Meeting Highlights

Astrowings Field Hours

Fuel Planes

Mon-Fri 10AM-Dusk

Sat-Sun 10AM-5PM

Electric Planes

All week 8AM-Dusk

Pilots must sign in and out of the flight log for each flying session

During summer months grass cutting is done every Friday morning and no flying is permitted during this time.

Oostburg:

Aaron Cochran 414-365-1571

Port Washington:

Ben Baumann 262-244-6241

John Collins 262-268-0859

Matt Komro 414-378-2022

President's Welcome

The Astrowings membership meeting of 05/21/2012 was called to order at 7:39 pm by President Steve Tarney.

Field Condition

The field is in excellent condition. Big thanks to Jim Hendrickson and Steve Tarney for replacing the fence.

Treasurer's Report

The treasure's report was read and approved.

Old Business

The conditional use permit for Omega Hills was not renewed. A motion to accept the old business was made and passed.

New Business

It was noted that the mower shed is in need of roof repair. Several suggestions were made. A temporary repair will be made for now.

Golf cart needed new front tubes. Jim has replaced them. A wheel was damaged on the trailer and needed replacing.

It is important to drive the golf cart with caution at low speed.

Jim made a short report on fun fly progress. Please remember to volunteer to help set up, work, and tear down both fun fly's. We also need donations for the fun fly raffles.

Show and Tell

Mark Polzin describing his heli piloting prowess.

Jeff Thompson brought a Carbon Cub and a Swift to show.
