March Meeting

This month's club meeting is on March 11 at 7:30 pm, at the Grafton Senior Center.

February Meeting Highlights

President's Welcome

The January membership meeting was called to order by President Steve Tarney at 7:37:13 pm.

Field Condition

The field is in snow covered and cold, but good condition.

Treasurer's Report

The treasure's report was read and approved.

Old Business

A Boy Scout flying experience day(s) will happen again. Date to be decided based on RC Association schedule.

New Business

Jeremy Pitchford and Jim Mikkelson agreed to lead the attack against the old shed roof to be replaced this Spring.

Dues Due!!

Lets make it easy on our new treasurer by bringing along your 2013 dues and a copy of your 2013 AMA card. The dues are \$ 50.00 or if you want a printed newsletter mailed to you then it is \$ 60.00 and a family membership is \$ 5.00 extra per child. If you can't make it to the meeting please make your check out to Astrowings and send your dues and a copy of your 2013 AMA card to:

Matt Komro
699 W. Dekora St. Unit B
Saukville, WI 53080

Old broken benches are to be disposed of.

The big tent which can not be used anymore due to land fill regulations, is to be sold.

Our charity event will be held July 13, 2013. Jim Hendrickson will again be contest director. Jim is asking that all members help to make this event successful. He can't do it alone or with only a few helpers. So, please participate.

The Electric Fun Fly & Swap Meet will not be held this year. Instead we will plan on a AstroWings family picnic. Date to be determined.

The meeting dissolved in individual discussion at approximately 8:47:33 pm.

February Show & Tell

Roger Zahn brought his model Incidence Meter and gave us an enlightening talk on wing incidence while Jim checks to see if he's on the level.

John Collins Showed us the advantages of computer gyro stabilization while flying in windy situations. Much like our meetings.

Mike Crotteau astounded us with his monster battery charger. Apparently almost identical to the one NASA uses.

Steve tarney brought his new Dual Sky Hornet 460 to show. Not only does it have a name totally irrelevant to real life, it has enough lights to cause the fine citizens of Grafton to call the police and report UFO's. Again.
